DAAD Prize 2025 for Extraordinarily Committed International Students

Dear Colleagues,
Ladies and Gentlemen,

The Karlsruhe Institute of Technology (KIT) will grant a prize for extraordinarily committed international students this year.

The *Prize of the German Academic Exchange Service for International Students* (DAAD Prize) is endowed with EUR 1000 and awarded every year.

The DAAD Prize addresses students who have achieved excellent academic performance and, in addition, shown outstanding commitment in the international context at KIT.

The prize ceremony will take place within the framework of the KIT International Days on May 9, 2025, at around 6.00 pm.

Nomination Criteria

You are invited to nominate international students of KIT (so-called “Bildungsausländerinnen und -ausländer” = foreign students). The nominee should have achieved an excellent academic performance and shown outstanding social commitment in the international context at KIT. The prize winner will be invited to attend the prize ceremony on May 9, 2025, at around 6.00 pm and to personally accept the DAAD Prize for Extraordinarily Committed International Students.

DAAD scholarship holders and foreigners with a German education will be excluded from the selection procedure.
